Dear Enrico:

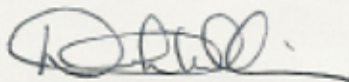

On behalf of all MACMA Conference attendees, I would like to thank you again for your magnificent entertainment at The Warehouse on the evening of May 6th, 2002.

Your uncanny ability to mesmerize groups with magic and illusions was the subject of much chatter for the hours and days following the conference. Furthermore, your personable demeanor and good-natured wit added a humorous element to our evening.

Due in large part to our pleasant evening at The Warehouse, the 2002 Spring MACMA Conference was the most successful meeting in recent memory. I will share a recommendation for you across all departments at The News & Observer for future events.

Once again, thank you!

Best Regards,

Daniel L. Williams
